Dear Examiner Cofer,

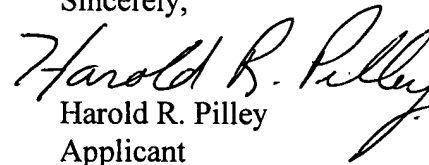

I am responding to your December 6, 2004 correspondence re: Application No 10/733,968 NON-COMPLIANT Office Action Response filed on (09-15-2004). The following items were found to be non-compliant:

A. A complete listing of all the claims is not present

C. Each claim has not been provided with the proper status identifier, and as such, the individual status of the claim cannot be identified.

The applicant will respond to the non-compliance by listing all the claims, and by identifying all claims as to its "proper status". The applicant has supplied a response per 37 CFR 1.121 for claims and new Abstract as per Examiner Chin's request.

Sincerely,

Harold R. Pilley
Applicant
